Questions? Schedule a free 30-minute Discovery Call with Megan here: <https://calendly.com/writeframeconsulting/30min>

1. Internship Information Session (60 min)- \$125

Heard of internships but really don't know what they are? An in-depth overview of internships, including the benefits and where to look for internships, choosing the right internship, application materials, common topics in the personal statement, and how to make your statement stand out. We will also address workplace requirements and expectations.

2. Internship Search Package (up to 4 internships)- \$175

Want an internship but don't know where to find one? I will help you find up to 4 internships specific to your current interests, academic and professional goals, and academic standing. DOES NOT INCLUDE APPLICATION ASSISTANCE.

3. Internship Application Package (up to 2 internships)-starting at \$375*

Have you found an internship but need help completing the application? I will help you to apply for up to 2 internships. We will review the application, and I will explain the requirements and answer any questions about the application process. I will assist you in drafting your personal statement and provide guidance on how to address any essay prompts. I will also provide 2 complete edits of the personal statement. DOES NOT INCLUDE INTERNSHIP SEARCH.

- 4. Comprehensive Internship Application Package (up to 2 internships)-starting at \$500***
Do you want an internship but need help with ALL the things? I will help you find and apply to up to 2 internships. We will review the application together, and I will explain the requirements and answer any questions about the application process. I will assist you in drafting your personal statement and provide guidance on how to address any essay prompts. I will also provide 2 complete edits of the personal statement. I will ensure all your applications are submitted on time and provide interview preparation should you be required to complete an interview. Once you are in the internship, I will provide two 30-minute internship coaching call to ensure you get the most out of your experience and assist with any challenges.
- 5. Personal Statement Development- \$225**
Is writing the personal statement stopping you from getting an internship? I will assist you in drafting your statement for one internship application, guiding you on how to address the prompts. I will also provide 2 complete edits of the personal statement.
- 6. Student Resume Review -\$135**
Do you just want feedback on your resume to see how to improve it? I will review your resume and provide you feedback on grammar, punctuation, clarity, and content, all to guide you in improving your own document. NOTE: does not include any edits to your document.
- 7. Student Resume Development- \$175**
Do you need a high-quality resume? Working in collaboration with you, I will draft an effective and precise resume. I will provide 2 complete edits, getting your feedback after each edit before providing you the final draft.

8. Internship Interview Support Package-\$225

Does your internship or job application process require an interview? I will assist you in preparing for your interview. We will discuss frequently asked interview questions and how to address those questions, including completing a mock interview practice.

9. Internship Coaching-\$75

Have you secured an internship but aren't sure what to expect? Are you currently interning and need guidance on how to make the most of your experience? I am here to provide you with performance coaching. You will get two 30-minute coaching calls to discuss and provide paths to resolve your questions and concerns.

*** Price increases if multiple iterations of the personal statements are needed to meet the specific requirements of each internship application. Will assist with applying to more than 2 internships at an additional cost.**
