

## **Group Services List**

All group services require a 30-minute Discovery Call. **Schedule here:** <https://calendly.com/writeframeconsulting/30min>  
Group services can be adjusted to meet client needs, and cost will vary depending on those needs, duration of service, and number of students served.

### **1. Internship Information Session (~60 minutes)- starting at \$560**

All-encompassing and informative sessions on internships, including:

- Why every student should have an internship
- The long-term benefits of internships
- How to choose the best-fit internship
- How to stand out as an applicant
- How to maximize your internship experience for a lifetime

Each student will also receive an abbreviated Internship Opportunities List.

### **2. Internship Workshop (~6-8 hrs)- starting at \$2250**

Our most comprehensive service covers all the information in the Internship Information Session in greater detail, plus each student will be assisted in:

- Finding and applying to one internship of choice
- Drafting one personal statement or resume, including a complete edit and feedback from the instructor
- Guidance in workplace expectations and fostering professional relationships

Each student will also receive a complete Internship Opportunities List, an Internship Checklist, and an Internship Tracker.

3. **Resume Workshop** (~4-6 hrs)- **starting at \$1125**

Extensive workshop covering a wide range of career preparation information and resume development, including:

- Understanding the job application process
- Components of an effective resume and cover letter
- How to draft an effective resume
- Full edit and feedback of resume by the instructor

Each student will leave the workshop with a compelling resume they can use to apply for jobs immediately.

4. **Interview Preparation Workshop** (~4-6 hrs)- **starting at \$1125**

Detailed workshop to boost student confidence and prepare them for a successful interview. Includes information on:

- How to prepare for an interview
- Drafting sample answers
- Mock interview with facilitator and feedback
- Following up after an interview

Each student will receive Tips for Acing An Interview and a list of common interview questions and example responses.
